

# *The Meadows*

## Golf & Country Club

# **RAINCHECK POLICY**

### **Regular Rates & Host Leagues (GAL, CWGI, Bell League, Swinging Singles):**

- If the golfer has paid for **18 holes** and they have not teed off on the **12<sup>th</sup> hole** they may receive a 9-hole rain check.
- If the golfer has paid for **9 holes** and they have not teed off on the **4<sup>th</sup> hole** they may receive a 9-hole rain check.

\*\* They must have their receipt from when they purchased their round

### **Meadows Leagues (Mens and Seniors League):**

No rainchecks will be given to our leagues for the following reasons:

- Pricing is less than our regular nine hole and cart rate
- Special pricing is achieved as a one price package including golf, carts, prizing etc.
- Prizes will still be issued for those that contributed and played some holes
- Weather radar is accurate to predict oncoming systems, and can be checked prior to tee off, allowing all participants ample time to play
- Rainchecks will be available for additional cart rate subject to above rules

The Meadows does not provide an early warning lightning detection system; a horn will not be sounded.  
Golfers golf at their own risk

*\*If you decide to tee off while it is raining, no rainchecks are given*

*\*Raincheck Policy only applies when it is raining*
